ORIGINAL RESEARCH ORAL PRESENTATIONS

1st Place  
Assessment of the Pancreatic Enzyme Carboxypeptidase A in Type II Diabetes (Abstract #62)  
Michelle Orlowski, Mila Lachica, Arthur Topilow, John Davis, Judith Slover-Zipf, Jay Sher, Danielle Lann, Loretta Ninivaggi, Sunil Asnani, and Charles Gilvarg, JSUMC, Axelrod Research Group

2nd Place  
Spotting Undiagnosed Glucose Abnormalities (SUGAR): A New Protocol to Increase Postpartum Testing Among Women with Gestational Diabetes (Abstract #60)  
Benjamin Morgan, Debra Gussman, Theresa A. Wisner, Karen Rothenberg, Monica Brown, and Michael P. Carson, JSUMC, Department of Ob/Gyn

3rd Place  
Development of an ICU Potassium Repletion Order Set to Decrease Resident Interruptions During ICU Sign-Out (Abstract #18)  
Lyudmila Shvets, Wajahat Khan, Mona Ali, and Michael P. Carson, JSUMC, Department of Medicine (Presented by Bilal Khan, MD)

Honorable FACULTY PRESENTATION:  
CD117, Ki-67, and p53 Predict Survival in Neuroendocrine Carcinomas, But Not Within the Subgroup of Small Cell Lung Carcinoma  
JSUMC, Department of Pathology

Honorable FACULTY PRESENTATION:  
Confirmation of a Potential Biomarker for Early-Stage Pancreatic Cancer  

ORIGINAL RESEARCH POSTER PRESENTATIONS

1st Place  
The Efficacy of Fluoride Varnish Application to Prevent or Reverse Progression of Dental Decay in Preschool Children (Abstract #50)  
Lauren Good, Cathleen Balance, Anna Petrova, JSUMC Department of Pediatrics & RWJ Medical School

2nd Place  
The Evaluation of Daptomycin Efficacy versus Vancomycin for MRSA Bacteremia with Reduced Susceptibility to Vancomycin (Abstract #53)  
Andy Hui, Marnie Rosenthal, Saira Choudry, JSUMC, Department of Pharmacy & Infectious Disease, Rutgers University

3rd Place  
Depression and Anxiety in the Post Operative Coronary Artery Bypass Graft Patient (Abstract #52)  
Sheila Hanvey, Michelle Hansen, Ellen Sorensen, Christine Hedges, JSUMC Nursing

CASE REPORT POSTER PRESENTATIONS

1st Place  
Unique Pathological Finding of Kaliopenic Nephropathy (Abstract #16)  
Thanaporn Rivlin, Mark I Chieh Hong, Sushil K. Mehandru, Michael Carson MD, JSUMC, Department of Medicine

2nd Place  
Primary Ileitis Complicated by Secondary Peritonitis and Toxic Shock Syndrome: A Previously Unreported Presentation of Group A Streptococcus (Abstract #42)  
Viola Cheung, Jamie Pinto, Min Zheng, Saad Saad, JSUMC, Departments of Pediatrics, Pathology and Surgical Services

3rd Place  
Hepatoblastoma-Induced Precocious Puberty (Abstract #24)  
Barbara Babiarz, Cynthia H. Meyers-Seifer, Aaron R. Weiss, JSUMC, Department of Pediatrics
